Blood Orange Lager

Blood oranges have a unique flavor compared to other oranges, being slightly raspberry-like in addition to the usual citrus notes. We've infused our light lager with pureed blood orange fruit for an exceptionally delicious and refreshing beer with a subtle orange aroma, crisp citrus finish and a beautiful red hue.

Roggenbier

The Reinheitsgebot be damned, we made our *own* German style Rye Beer. Rye, Pilsner and Crystal malts, soft noble hops and a select Bavarian yeast strain produce a light spicy aroma and moderate rye flavor. Low bitterness allows an initial malt sweetness to be tasted before the rye character takes over. Coppery brown in color, with a persistent rocky head.
